

## Chorley SSP Contribution

We have used £5000 of the PE premium funding with Chorley Schools Sports Partnership (CSSP) whose remit is to:

Improve the educational experience for all young people through PE, school sport health and culture. Our aim is to inspire the next generation to develop lifelong participation in physical activity and an understanding of the importance of physical and mental wellbeing.

### Aims

- To raise standards in teaching and learning through delivering high quality PE, school sport, health related activities and cultural & performing arts
- To inspire learning and achievement
- To provide more young people with the opportunity to compete, achieve their personal best and fulfil their potential.
- To increase regular participation in school and community sport
- To reduce sedentary behaviour
- To support young people to take ownership and develop life skills through leadership opportunities

Chorley SSP will deliver the following in and for our school during this academic year
