Headteacher: Mr Nick Ward

To you all,

Thank you for expressing an interest in our lovely school. I am so sorry we are unable to welcome you in person, in our normal way, but we have tried hard to capture our ethos in this section of our website. Our wonderful Year 6 children are usually all involved in leading a guided tour for families and are disappointed they can't do so. This year I have still tried to involve them by sharing some of their comments about our school on this page, although they normally take great pride in sharing their knowledge of every cupboard, toilet, etc!

We are an extremely happy one-form entry primary school, and are delighted to be judged as 'Outstanding' by Ofsted. Although this was a number of years ago, our data suggests, and our external advisers feel, that we remain an outstanding school. However, to us, being outstanding isn't about Ofsted. It is being the best school we can be, each and every day, for our whole school family. We pride ourselves on excellent relationships with our families and if you will look at the parental feedback section on our website you will see the overwhelming positivity that is evident. We are honest, we are approachable and we listen...but most importantly of all, we care. Each and every day I am proud when I walk around our school and see the warmest learning environment anyone could hope for. The behaviour and attitudes of our children are amazing and the relationships they have with each other and the staff are a real strength of our school.

Although our data is high, we offer a broad and balanced curriculum, with full coverage of every subject. We utilise the skills of our staff in offering subject expertise in areas such as French, music and art. Our infant children have Wonderful Wednesday afternoons, where they bake, make, sew, move, and much more. Our junior children learn to play a brass or woodwind instrument throughout their four years in Key Stage 2. We love our children to be outdoors and have worked hard over recent years to further enhance our environment, including a stunning natural Spinney, Serenity Garden, artificial grass areas and recently renovated Reception/Y1 outdoor areas.

Please have a look at our website, which has lots of information and lovely pictures of our school. Should you need to chat through anything, or want any additional information, please do not hesitate to email me on head@euxton.lancs.sch.uk or give me a ring on 01257 263454.
