Reception pebbles

It was lovely to present our new Reception class children with their special pebble to place in our worship bowl this morning, to symbolise the start of their worship journey with us. All our Reception children have made an amazing start.

Girls and Boys Football Tournaments

Girls

Our girls football team continued their league matches this week with two more determined performances. The girls controlled possession and sustained pressure throughout both games. They picked up another win in their first game and were very unlucky to concede a couple of goals, leading to their first defeat in the second.

Boys

Another determined performance from the boys this week with a 3-0 win in the first game and unfortunately lost 1-0 in the second match. Mr Astle reports that Leo scored a hat-trick in the first game, Noah displayed excellent defending and all the boys worked well together to show excellent team spirit.

Nasal Flu Spray

The school health team are in school on 11th November to administer the nasal flu spray to all children whose parents have given permission. The link to give permission has been sent to all parents via email this week. Please respond asap – the link closes on 15th October. If you don't want your child to have the nasal spray, please complete the section in the link.
