

BRINGING HOPE FOR THE FUTURE

Mikoroshoni Primary School (MPS) is a small independent registered charity based in the UK. It was established in 1996 and its main aim is to offer a free education to children from the poorest families in one of the most deprived communities in Mombasa.

From humble beginnings, MPS now educates around 300 children from Shanzu village.

In addition to an education, the children of MPS are provided with a free meal each day. Sometimes this is the only food the child will have for the day.

To broaden their knowledge, the children are taken out on trips and are encouraged to take part in out of school activities e.g. sports, chess and Guides. Visitors are welcomed to MPS to give support in a variety of ways.

We need to raise £35,000 each year. Over 98% of the donations we receive go directly to the school.

Your donation really can make a difference to a child's life by giving hope for the future. Most pupils leave MPS at the end of Standard 8 with their KCPE (Kenya Certificate of Primary Education).

We have also been able to find sponsorship for a few pupils to go on to Secondary School and College/University.

This is what people have said about MPS.

“ Long live the feeding programme for MPS ”
A comment from a parent.

“ I have a good feeling about this place. I know I am going to enjoy being here ”
A comment from a volunteer.

“ I felt on top of the world when I passed my exams ”
A comment from a Standard 8 pupil.
