Dear Parents,

We have two formal opportunities for you to meet with your child's class teacher. The first will be held on **Monday 4th October** and will be an opportunity for you to discuss how they are settling into their new class. The second will be mid-way through the year, in March. This meeting will be about the progress your child is making and for you to have a closer look at the work they have been doing in school.

The appointments will be in the classrooms this year, for you to see your child's learning environment and to distance people as much as possible. To support this further, we would like only **one parent** to attend in person, unless there are exceptional circumstances. Last year, we had Parents Evening as a phone call, which actually worked really well. We are therefore offering this again this year, for those of you who would find this easier or would perhaps rather not be in the building at the moment. Should you wish to have an appointment in school, these will be from **3:40-6:00pm**, and the telephone calls will take place between **6:00-7:00pm**.

Please indicate on the slip below your preference and return to school by next Friday (24th) at the latest. Please use a separate form for each child you have in school. We will try our best to accommodate you and an appointment time will be sent home. Each appointment will last approximately 5 minutes, however if you feel that further time and a further meeting is necessary then please inform the class teacher.

Thank you for your continued support,

Mr Nick Ward
