Y4 Venture Residential

What an amazing time our Y4 children have had this week, enjoying wonderful weather too. The children were an absolute delight, and had the best time strengthening and forming new friendships; learning more about themselves; experiencing many outdoor adventures and exploring their faith. A huge thank you to Rev. Jo and her team for organising. Thank you so much to Mrs MacDonald and Mrs Platt for giving up their precious family time to allow the children to participate - a special mention to Mrs Platt who stayed the full week - four nights away from home truly is going above and beyond and is very much appreciated.

Parental Questionnaire and Feedback

Thank you once again for taking the time to complete the parental questionnaires for us. I have collated the information and have included this on the next page. Once again, I have been overwhelmed by your feelings about our school. I am still working on putting together the lovely, positive comments you kindly shared with us and your suggestions to improve further. These will follow. Thank you once again, and please remember we want to know your thoughts whenever you feel the need to share them. I showed a prospective parent round this week, who told me she had moved to the area and posted on a local Facebook group for primary school recommendations and she said that they were pretty much all about our school and about the family feel. That means such a lot, thank you. I have shown around 60 potential teachers around school over the past week or so, and it has been a real pleasure and privilege to do so. The team here are truly incredible.
